**ANNUAL INTERNATIONAL
EXTERNAL FIXATION SYMPOSIUM (IEFS)**

“The Diabetic Charcot Foot and Ankle”

December 9-11, 2010

*Hyatt Regency Hill Country Resort & Spa
San Antonio, Texas*

Course Co-Chairmen

Daniel W. Carlisle, MD

Thomas Zgonis, DPM, FACFAS

http://cmecourses.uthscsa.edu/eventinfo_416.html

COURSE DESCRIPTION

Join leading UTHSCSA Faculty & International Scientists and Clinicians for three days of lectures, discussions and workshops. During this symposium participants will understand the indications and principles for use of external fixation in diabetic foot and ankle pathology including trauma, revisional and reconstructive surgery, learn how to apply monolateral, hybrid and circular external fixation devices in cadaveric workshops, understand principles and techniques for soft tissue reconstruction of diabetic foot and ankle wounds, learn how to apply the latest technology of internal fixation devices in cadaveric workshops and also understand the indications and principles of current orthobiologics, bone growth stimulation and negative pressure wound therapy treatments for difficult closure of traumatic and diabetic wounds.

TARGET AUDIENCE

This symposium is designed to meet the unique educational needs of podiatrists, orthopedists, pedorthists, physical therapists, and other health care professionals.

LEARNING OBJECTIVES

1. Describe the indications and discuss principles for use of external fixation in diabetic foot and ankle pathology including trauma, revisional and reconstructive surgery.
2. Apply monolateral, hybrid and circular external fixation devices in cadaveric workshops.
3. Discuss principles and techniques for soft tissue reconstruction of traumatic and diabetic foot and ankle wounds.
4. Describe the indications and discuss principles of current orthobiologics, bone growth stimulation and negative pressure wound therapy treatments for difficult closure of traumatic and diabetic wounds.
5. Implement a multidisciplinary team approach to the overall treatment of the diabetic foot and ankle pathology.

COURSE REGISTRATION INFORMATION

The symposium registration fee includes tuition, course materials, entrance to exhibit hall, continental breakfasts, refreshment breaks, and a Friday evening reception. To enroll, please register online at <http://cme.uthscsa.edu> or send the attached registration form with credit card information or a check payable to "UTHSCSA CME-128555." If you must cancel, your tuition will be refunded less a \$45 administrative fee, provided notice is received by November 17, 2010. The UTHSCSA Continuing Medical Education Office reserves the right to limit enrollment or cancel any course no less than a week prior to the course. Should circumstances make this necessary, tuition will be refunded in full.

CONTINUING MEDICAL EDUCATION CREDIT

CPME: The UT Health Science Center at San Antonio School of Medicine is accredited by the Council on Podiatric Medical Education as a sponsor of continuing medical education in podiatric medicine. The symposium has been approved for a maximum of 22.25 hours.

CME: The UT Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The UT Health Science Center at San Antonio School of Medicine designates this educational activity for a maximum of *22.25 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

PT: Application for CEUs has been made with the Texas Physical Therapy Association for Physical Therapists and Physical Therapy Assistants.

CPED: Application for CEUs has been made with the Board of Certification for Pedorthists.

HOTEL INFORMATION

A block of rooms has been reserved at the meeting site, the Hyatt Regency Hill Country Resort & Spa located at 9800 Hyatt Resort Drive in San Antonio, Texas. Set in the quiet of the Texas Hill Country, only 20 minutes from the San Antonio International Airport, on 200 acres of oak-covered rolling terrain it is a destination resort hotel which is casually elegant, indoors and out. Just a short drive from downtown San Antonio with its famed Riverwalk, historic La Villita and the bustling Market Square. The Hyatt Regency Hill Country Resort & Spa is located minutes from SeaWorld San Antonio and Six Flags Fiesta Texas theme parks. It offers a wide selection of activities for the entire family.

Please make your reservations directly with the hotel. Be sure to state that you are attending the "University of Texas Health Science Center San Antonio External Fixation Symposium" to qualify for the special rate of \$200.00 (plus tax) for single or double accommodations. These rooms will be held for symposium attendees until November 17, 2010. After that date, the availability of rooms and symposium rates cannot be guaranteed.
