The 23rd Diabetic Foot Update 2007:
A Multidisciplinary Approach

December 6-9, 2007
Westin Riverwalk Hotel
San Antonio, Texas

Sponsored by:
The University of Texas
Health Science Center at San Antonio
Department of Orthopaedics,
Podiatry Division

http://cme.uthscsa.edu
The University of Texas Health Science Center at San Antonio
COURSE DESCRIPTION

The “original” diabetic foot conference returns for its 23rd year! During the Diabetic Foot Update 2007: A Multidisciplinary Approach participants will Explore the Scientific Advancements of the Diabetic Foot from the Cellular Level to the Patient’s Bedside. This conference will also provide a comprehensive multidisciplinary approach to general diabetes and wounds, wound microenvironment, diabetic foot infection, neuropathy, treatment modalities for the diabetic foot, and vascular considerations in the diabetic foot.

LEARNING OBJECTIVES

While attending this conference, participants will:

1. Explain the cause of diabetic foot ulcers and significant advances in treatment.
2. Assess the use of pharmacologic agents and local treatments in the care of problem foot wounds.
3. Discuss the evaluation and treatment of Charcot foot.
5. Assess creative surgical, non-surgical, and local therapies for limb salvage.

TARGET AUDIENCE

This conference is designed for physicians (DPMs, MDs, DOs) treating patients with diabetes, as well as for diabetic educators, nurses, pedorthists, physical therapists, and all other healthcare professionals who have a role in the management of diabetic foot pathology.

CONTINUING EDUCATION CREDIT

CPME: The University of Texas Health Science Center at San Antonio School of Medicine is accredited by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. This conference has been approved for a maximum of 19.0 hours.

CME: The University of Texas Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Texas Health Science Center at San Antonio School of Medicine designates this educational activity for a maximum of 19.0 AMA PRA Category 1 Credits™. Physicians should claim credit commensurate with the extent of their participation in the activity.

CNE: The University of Texas Health Science Center School of Nursing is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity meets Type I criteria for mandatory continuing education requirements toward relicensure as established by the Board of Nurse Examiners for the State of Texas. This activity provides up to 19.0 nursing contact hours.

PT: Application has been made with The Texas Physical Therapy Association for CEUs for Physical Therapists and Physical Therapy Assistants.

CPed: Application has been made with the Board of Certification for Pedorthists for CEUs for Pedorthists.

COURSE LOCATION

The Diabetic Foot Update 2007: A Multidisciplinary Approach will be held at the Westin Riverwalk Hotel, located at 420 West Market Street in San Antonio, Texas. The Westin Riverwalk Hotel’s setting along the Riverwalk makes it a popular destination for holiday light-viewing. Thousands of holiday lights sparkle in the large cypress trees, while carolers aboard river barges sing holiday favorites. Situated on the scenic banks of the San Antonio River, the Westin Riverwalk is in the heart of downtown San Antonio, and is blocks from the fabulous Rivercenter Shopping Complex. From the hotel, guests may walk to the Alamo, San Antonio Convention Center, Alamodome, La Villita Market Square, and a host of other world-renowned attractions. The Westin Riverwalk Hotel is a short drive away from championship golf, theme parks, the San Antonio Zoo, El Mercado Mexican Market, HemisFair Park, the Sunken Gardens, and the San Antonio International Airport. Come join the fun!

ACCOMMODATIONS

A block of guest rooms has been reserved for attendees of The Diabetic Foot Update 2007: A Multidisciplinary Approach at the conference site, the Westin Riverwalk Hotel. A special conference rate of $189.00 for single or double accommodations plus tax has been arranged with the Westin Riverwalk when you identify yourself as an attendee of The UTHSCSA Diabetic Foot Conference. Please make your own reservations directly with the hotel as soon as possible by calling 1-888-625-5144 or (210) 224-6500. The block of rooms will be protected until November 14, 2007 or until the block is filled. After that date, any remaining rooms will be released for general sale and reservations will be subject to room and rate availability. Should the block fill prior to November 14, additional room availability will be at the discretion of the hotel. We urge you to make your reservations as soon as possible.

COURSE REGISTRATION

The conference registration fee includes tuition, course materials, entrance to exhibit hall, continental breakfasts, refreshment breaks, and Friday evening dinner tribute. To enroll, please register online at http://cme.uthscsa.edu or send the attached registration form with credit card information or a check payable to “UTHSCSA CME-124291.” Workshop fee is $35. Please select your choice on the registration form. If you must cancel your registration, tuition will be refunded less a $45 administrative fee, provided notice is received by November 21, 2007. The UTHSCSA Continuing Medical Education office reserves the right to limit enrollment or cancel any course no less than one week prior to the course. Should circumstances make this necessary, tuition will be refunded in full.

EXHIBITS

Thanks to our commercial supporters and exhibitors, you will have the opportunity to meet with representatives from over 40 companies. You won’t want to miss the opportunity to visit our exhibit hall and discover medical innovations that can assist you in treating and caring for your patients. Visit our website at http://cme.uthscsa.edu for an updated schedule.
